

MMIS Report by other States for Previous Fiscal Year

(FY2022 Appropriation Act - Public Act 87 of 2021)

March 1, 2022

Sec. 1902. From the funds appropriated in part 1 for the Michigan Medicaid information system (MMIS) line item, private revenue may be received from and allocated for other states interested in participating as part of the broader MMIS initiative. By March 1 of the current fiscal year, the department shall provide a report on the use of MMIS by other states for the previous fiscal year, including a list of states, type of use, and revenue and expenditures related to the agreements with the other states to use the MMIS. The report shall be provided to the house and senate appropriations subcommittees on the department budget, the house and senate fiscal agencies, and the state budget office.

Section 1902 PA 87 of 2021

Michigan Medicaid Information System

In FY 21, Michigan continued work with the State of Illinois on the following portions of the MMIS: the Provider Enrollment (PE) and the Electronic Health Record (EHR)/electronic Medicaid Incentive Payment Program (eMIPP) modules. As of 7/1/2020, MDHHS and the State of Illinois agreed to amend the Intergovernmental agreement (IGA) to pursue closeout/shutdown of the shared MMIS project at the State of Illinois' request. As of September 2021, MDHHS and Illinois completed the majority of the project closeout activities and transferred the Illinois PE & EHR/eMIPP modules and data from MI infrastructure to Illinois new MMIS infrastructure. Remaining closeout activities are expected to complete by 06/30/2022.
